Registered Surveyors

OUR STORY

C&A Surveyors commenced operations in 2009 working from a home office in the Sydney suburb of Greystanes.

Since then, we have grown to a team of over 40 surveyors, including six registered surveyors, working across a wide range of projects for an even wider range of clients

Our core values are:

- To treat every client with respect and faith
- To grow through creativity, invention and innovation
- To integrate honesty, integrity and business ethics into all aspects of our business every single day

We service the broader Sydney metropolitan area from Newcastle to Wollongong and out to the Blue Mountains. If we can help you with your surveying needs, please call us today!

OUR PEOPLE

C&A Surveyor's growing team embody the company ethos of efficient, economical and essential.

Our economies of scale are passed on to you with competitive rates across the full range of our services.

With six registered surveyors and a total team of 40, we can ensure that your needs are serviced as efficiently as possible across the Greater Sydney region.

We have become an essential part of many developments and our recent customer satisfaction survey showed how we've become a trusted part of the development process for our clients.

With a 4.9 star Google rating all your surveying needs are in good hands at C&A!
